

CCCOWE Anthem

Music by Stephen Tong
Words by Shi-yuan Kou

Praise God for all His won-drous bles - sings, to Chi - nese free - ly giv'n.

The ways of men have led as - tray, but through Christ God has shown the way.

O church of Christ make dis - ci - ples, turn your eyes to vi - sions a - bove.

May we for Him bold ser - vants be, bear the cross in love and uni - ty.

Pro - claim the good news of sal - va - tion, with minds re - newed by truth.

In faith we'll run the race to win, shout the vic - t'ry, Hail the co-ming King.
